## All dressed up for charity

**M**embers of the Gig Harbor community met Canterwood Golf & Country Club last Friday as part of "You've Got That Look," a garden luncheon and fashion show. A \$75 donation at the door benefited the Altrusa Foundation of Gig Harbor. Bob Black, above, the Gig Harbor Fire Department District 5 chief, wears his Sunday golfing best while modeling for charity. Members of the Peninsula Youth Orchestra, including Kristine Vander Poel, 13, right, performed before the event. Vander Poel's brother and sister, Luke and Ashley, and a fourth member, Claire Wiley, also performed.
